25X1A 1.[Comment. Railroad records and loadings and unloadings observed tend to indicate that, since early July, tank units of the 6th Gds Tank Div were continually rotated between their Werder-Markendorf training grounds and their Wittenberg post, with the tanks of the 51st Gds Tank Regt mentioned in paragraph 5 having transferred from Jueterbog to Wittenberg on 10 August 25X1
25X1A 2.	Forment. The unidentified tank training battalion is confirmed in the Arado installation until late August by tank observed. 25X1C
25X1A 3	convent. The engineer elements of the divisions of the Third Gds Mecz Army returned to their units on trains between 23 and 25X1 25 July. No information has been received on the whereabouts of the 35th Engr Regt (US).
